

THE SAFEGUARDING OF CHILDREN & VULNERABLE ADULTS AT WLS

Our Commitment

We recognise the need to provide a safe and caring environment for children, young people and adults. We acknowledge that children, young people and adults can be the victims of physical, sexual and emotional abuse, and neglect. We accept the UN Universal Declaration of Human Rights and the International Covenant of Human Rights, which states that everyone is entitled to "all the rights and freedoms set forth therein, without distinction of any kind, such as race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth or other status". We also concur with the Convention on the Rights of the Child which states that children should be able to develop their full potential, free from hunger and want, neglect and abuse. They have a right to be protected from "all forms of physical or mental violence, injury or abuse, neglect or negligent treatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s), or any other person who has care of the child."

As a Leadership we have therefore adopted the procedures set out in the WLS safeguarding policy in accordance with statutory guidance. We are committed to build constructive links with both statutory and voluntary agencies involved in safeguarding.

We undertake to:

- endorse and follow all national and local safeguarding legislation and procedures, in addition to the international conventions outlined above.
- provide on-going safeguarding training for all its workers and will regularly review the operational guidelines attached.
- ensure that the premises meet the requirements of the Equality Act 2010 and all other relevant legislation, and that it is welcoming and inclusive.
- support the Safeguarding Coordinator(s) in their work and in any action they may need to take in order to protect children and adults with care and support needs.
- review this statement and our associated policy and procedures annually.

The WLS full policy and associated practice guidelines are based on the ten "Safe and Secure Safeguarding Standards" published by CCPAS (the Churches' Child Protection Advisory Service) and are available from Ros Clapham, WLS Human Resources Manager: ros.clapham@wls.org.uk

Specifically:

- We recognise that we all have a responsibility to help prevent the physical, sexual, emotional abuse and neglect of children and young people (those under 18 years of age) and to report any such abuse that we discover or suspect.
- We believe every child should be valued, safe and happy. We want to make sure that children we have contact with, know this and are empowered to tell us if they are suffering harm.
- All children and young people have the right to be treated with respect, to be listened to and to be protected from all forms of abuse.
- We recognise that we all have a responsibility to help prevent the physical, sexual, psychological, financial and discriminatory abuse and neglect of adults who have care and support needs and to report any such abuse that we discover or suspect.
- We recognise the personal dignity and rights of adults who find themselves victims of forced marriage or modern slavery and will ensure all our policies and procedures reflect this.
- We believe all adults should enjoy and have access to every aspect of the life of the place of worship/organisation unless they pose a risk to the safety of those we serve.
- We undertake to exercise proper care in the appointment and selection of all those who will work with children and adults with care and support needs.
- We believe in the necessity of creating a healthy culture in our synagogue where the value of all people is recognised and challenges are responded to appropriately.

We recognise:

- Children's Social Services (or equivalent) has lead responsibility for investigating all allegations or suspicions of abuse where there are concerns about a child. Adult Social Care (or equivalent) has lead responsibility for investigating all allegations or suspicions of abuse where there are concerns about an adult with care and support needs.
- Where an allegation suggests that a criminal offence may have been committed then the police should be contacted as a matter of urgency.
- Where working outside of the UK, concerns will be reported to the appropriate agencies in the country in which we operate, and their procedures followed, and in addition we will report concerns to our agency's headquarters.
- Safeguarding is everyone's responsibility.
